

APPLICATION FOR PERMANENT CAMPGROUND LODGING

CRIMINAL HISTORY BACKGROUND REPORT AUTHORIZATION

Revised and effective January 1, 2022

Pine Pointe Resort may conduct a criminal history background check on all individuals (18 years old or older) interested in camping at Pine Pointe Resort on a seasonal/permanent yearly basis. Pine Pointe Resort may screen family behavior and an individual’s suitability for seasonal/permanent camping. A criminal conviction record which reveals behavior that may adversely affect another individual’s (e.g., other "seasonal/permanent" campers, guests of campers, staff, volunteers) health, safety, welfare, and ability to peacefully enjoy Pine Pointe Resort shall result in your application for for seasonal/permanent camping being denied.

This form includes a Criminal History Background Report Authorization form for you to review and sign. Each family member (18 years old or older) who intends to apply for seasonal/permanent camping must separately fill out this form and the Criminal History Background Report Authorization form. Once the completed form is received, Pine Pointe Resort will conduct a criminal history background check.

Pine Pointe will attempt to obtain and use a criminal history background “consumer report” from a “consumer reporting agency” when considering your application for seasonal/permanent Campground Lodging. These quoted terms are defined in the Fair Credit Reporting Act ("FCRA"), a law which Pine Pointe Resort and Campground deems apply to you. As an applicant for seasonal/permanent Campground Lodging, Pine Pointe Resort and Campground is considering you to be a "consumer" with rights under the FCRA.

Please understand that Pine Pointe Resort will solely obtain a criminal history background report to assist it in determining whether to grant you seasonal/permanent Campground Lodging privileges. Pine Pointe Resort is not obtaining a “consumer report” for any other information and will NOT be conducting a credit check.

If Pine Pointe Resort considers any information in the criminal history background report when making a decision that directly and adversely affects you, upon request you will be provided with a copy of that report. You also may contact the Federal Trade Commission about your rights under the FCRA as a “consumer” about “consumer reports” and “consumer reporting agencies.”

To assist Pine Pointe Resort in obtaining criminal history background check information, please truthfully and completely answer the following question:

Have you ever been convicted of ANY misdemeanor (other than moving vehicle or parking violations) or felony? For purposes of this inquiry, the word “convicted” includes, without limitation, pleading guilty, pleading no contest, or having a judicial finding of guilt.

Yes No

If Yes, please list the criminal offense, the date(s) of the conviction and where (city, state) the conviction took place. Please use additional paper if necessary.

1. A “consumer reporting agency” is a person or business that, for monetary fees, dues or on a cooperative nonprofit basis, regularly assembles or evaluates consumer credit information or other information on consumers for the purpose of furnishing “consumer reports” to others, such as RMHCPT. A “consumer report” is any written, oral, or other communication of any information by a “consumer reporting agency” bearing on a consumer’s credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, motor vehicle record, or mode of living that is used or collected for the purpose of serving as a factor in establishing the consumer’s eligibility for the particular purpose at hand. A “consumer report” also may include, without limitation, information about your employment history, educational background, or your criminal history background.

To assist you in truthfully and completely answering this form, please be advised your application may be in jeopardy if you have been convicted of any of the following criminal offenses (whether or not the offense may have been labeled in another way in your state or country of residence). - Any domestic violence crimes (pending charge or conviction)
- More than two misdemeanors in the same category in the past 5 years, with categories defined as assault crimes, drug crimes or theft crimes.

Pine Pointe Resort, in its sole discretion, will determine whether your criminal record may threaten an individual's health, safety, welfare, and ability to peacefully enjoy Pine Pointe Resort and Campground and, therefore, result in your application for seasonal/permanent Campground Lodging being denied. You are required to promptly notify Pine Pointe Resort and Campground, if your answer to the above-referenced questions needs to be updated.

Pine Pointe Resort and Campground will, in addition make, an overall decision whether the rest of your family will be eligible to stay based on their individual checks.

I certify that all the above-provided information is accurate, complete and can be verified.
